

*Witnesses in Jerusalem, Judea,
Samaria, and Mililani*

“And you shall be witness both in Jerusalem, and in all Judea, and Samaria, and even to the remotest part of the earth.”

HI NEIGHBOR!

Within the area of our new facility are over 50,000 residents. Eighty-five percent of the population is composed of families and there are almost 8,000 students in public school. God has placed our new home in the midst of an enormous mission field. Let's be in prayer for our new neighborhood, that God would make Himself known through our presence.

CENTRAL LOCATION

Our new building will be in the center of the island of Oahu, like the hub of a wheel, with the spokes of outreach jutting out, not only around Oahu, but from the Hawaiian islands throughout the Pacific, we will be able to reach many for Christ from this location.

The new facility is easily accessible off H2 Freeway, take exit 5A and head east. Turn right onto Makaikai Street then turn left on Kaapeha Street and the property is on the right.

it is easier to build a boy or girl than to mend a man or woman.”

Children learn more during the first five years of their lives than at any similar period of time. Preschoolers make more adjustments in their lives than they will later as college students. If we establish strong Christian morals in our children during the early years of their lives it will not be necessary to mend men or women who have been battered by the enemy.

*Children are a heritage from the Lord.
Psalm 127:3*

That is why it is imperative that the Body of Christ take an active role in bringing up our children. Our Heavenly Father has given us the key to the future (our children) and the tools (the Bible, the Holy Spirit, our minds, hearts, and bodies) to raise up strong, holy, and free Christian men and women. Our children play an important role in the vision for the future. And, we must build a Godly heritage for them in order for them to fulfill their roles.

We will continue to do that in our new facility. In their classrooms we will pray with them and rejoice with them as God gives answers. As a Body they will hear us pray for them by name and lift them before the throne of Grace and Mercy. We will share what the Bible says about questions they may have concerning problems in their lives. We will be able to change a life and the world and create for the next generation a safe environment where they will be nurtured in the love and grace of Jesus Christ.
