**"CREATION - EVOLUTION"**

The Bible says that we are in the World but **Not** to be of it. The Bible says that we are to come out and be **Separate** from the World. The Bible also teaches us to be thoroughly **Equipped** for every Good Work.

Therefore, I write to you **Children**, because you are growing up in a World that is shaping and molding your Worldview. I write to you **Young People**, because the Education System at the University teaches Evolution as Fact. I write to you **Parents**, because you have a tremendous responsibility in raising your child in the *Ways of the Lord*. I write to you **Grandparents**, because you have a tremendous opportunity to influence your children and grandchildren by praying for them and teaching them the Truth about God from His Word. I write to you **Believers**, because you are tasked with sharing the Gospel of Jesus Christ to a World that does not believe that God exists and that Man Sets the Rules.

It is my prayer and hope that the next two Sundays will separate us from the World and Equip us for every Good Work as we go through a two-part series on the Creation-Evolution Debate.

Together For the Kingdom,

**Pastor Clay**
