

The Love of Christ constrains us...

2 Cor. 5:14

“The love of Christ is too large for any heart to hold it. It will overflow into others’ hearts: it will give itself out, give itself away, for the enriching of other lives. The heart of Christ is a costly thing for anyone to have. It will lead those who have it where it led Him. If it cost Him the cross, it will cost them no less.” J. M. Campbell

Jesus is after our hearts in these days that mens hearts are failing from all the fear that swirls around them. When is the last time the love of Jesus overflowed into others lives? This type of Christian living is normal New Testament life! The love of Jesus is what makes men and women love God back and that is best expressed in loving others... starting with those closes to us in our homes. He who has the Son has the life of Christ (1 John 5:11-12) (Zoë: eternal life) and He expects us to give it away!

JESUS LOVES YOU WAHAIWA! is coming in a couple weeks, make yourself available to be used in the many ways offered in serving our neighboring community. It will be a blast to give ourself away in Jesus Name! May all of us pray that God would fill our hearts with the **LOVE OF JESUS CHRIST** and we freely give it away.

CCCO is a loving body of believers and we need to keep practicing **“AGAPE”** because that is why we’re still on earth! **Jesus is Coming Soon!**
