### **UPDATE: Pastor Rick**

Please continue to pray for Pastor Rick and Alma as he is recovering from back surgery. He was transferred from Pali Momi Hospital to Ka Punawai Ola on Wednesday which is a Skilled Nursing Facility and Rehabilitation Center located in Kapolei. The work done on his back was a little more extensive than what they thought and was not able to come home just yet. As a result, he is receiving therapy to gain back strength in his legs and core as well as heal.

He expresses his appreciation and gratefulness to all who have prayed and continued to pray for him. We thank God as he continues to progress each day. Pray for Alma equally as she needs strength to travel back and forth. Pray that God would guard her heart and mind in Christ Jesus and not be anxious. Pray for good health and resistance to illness.

Let us continue to respect their time alone as they trust the Lord for complete healing.

Praise God for the Body of Christ...for when one is down, there is another to pick him up. May we continue to encourage one another till Jesus comes.
