

## **“The Resurrection of Jesus Christ: The Capstone of the Christian Faith!”**

“In post-Christian America, few people are aware that belief in the Resurrection is not a blind leap into the dark, but Faith founded on Fact. It is historic and evidential. Thus it is defensible. During an age in which the resurrection is under siege, knowing how to defend its reliability serves to strengthen our faith.

The Resurrection is not merely important to the historic Christian Faith; without it, there is no Christianity. It is the singular doctrine that elevates Christianity above all other world religions. Through the Resurrection, Christ demonstrated that He does not stand in a line of peers with Abraham, Buddha, Muhammad or Confucius etc. Jesus is utterly unique. He has the power not only to lay down His life, but to take it up again.” ~ Resurrection, the book - by H. Hanegraaff.

This Resurrection morning can be a fork in the road in our spiritual journey. We (I) want to know God and possess eternal life. There are voices of religious leaders of the past telling us to believe them as the way to God. Jesus is the only one who is ALIVE~ all the rest are dead! Jesus is alive and can change your heart, your lifestyle and your destiny. Choose this morning to believe in Christ, repent from your sins and follow Him. The power of the Resurrection is available to ALL this morning! “And this is the testimony: God has given us eternal life, and this life is in His Son. The one who has the Son has the LIFE.” ~ I John 5:11-12

Receive Jesus this morning! O HAPPY DAY! ~Pastor Rick
