

REJOICE! OUR FIRST ANNUAL RESURRECTION SUNRISE SERVICE

What a Wonderful Resurrection Sunday we celebrated last week on our new property. It started with Pastor Rick receiving a vision from the Lord. Seeking the Lord and prayer then followed. Pastor Eli was compelled to launch a canvassing effort to invite our neighbors. About 750 invitations went out into the community the week/day before. Over 30 of you reported the day before to help clean-up and set-up. As we broke into two teams, the set-up and clean-up seemed almost effortless. Then it was time for lunch as we were blessed with sandwiches provided by some of the ladies. The fellowship was sweet as we co-labored together as a Body of Believers.

Sunday Morning started early while it was still dark with our “wide awake” parking lot attendants in place. We parked about 80 cars! Thanks Roy for building the parking ramp! People came early for Service (PTL!). Pastor Rick welcomed everybody as the sun was beginning to rise. It was Awesome! We started with Worship followed by the Women of Faith Hula Ministry. They danced to “At the Cross”...What a beautiful sacred dance to the Lord. (see it on the web)...Pastor Rick then preached a Gospel Message, “Jesus Christ, The Firstfruits from the Dead!” It certainly was a message of hope because Jesus conquered death by His resurrection and we too will rise again to be with Him.

Breakfast then followed. We were blessed as the Lord provided “Jesus Serving You” who did all of our cooking for FREE! What a great breakfast. Our hospitality team served over 300 plates. Then it was time for the children’s games...There were plenty of kids all eager to win the Easter egg relay games and the three legged race. Check out their faces on the web! God’s kids are cute kids...what a crack-up! Miss Karen made sure the kids ended up with plenty of candy!

**All Glory goes to the Lord who has given us the privilege
of working alongside with Him, with what He is doing in the lives
of people for all eternity!**
